IDS Named to HousingWire's HW TECH100™ for Second Year in a Row – Award by trade magazine recognizes innovation in mortgage technology –

SALT LAKE CITY, March 5, 2015— [Mortgage document preparation](#) vendor International Document Services, Inc. (IDS), announced it has again been included in the 2015 edition of *HousingWire's* HW TECH100™ list. IDS has been on the list every year since its inception in 2014.

The HW TECH100™ highlights the housing economy's 100 most innovative technology companies, along six unique dimensions of innovation. The annual awards program is the only program of its kind to include technology serving both the U.S. residential real estate and U.S. residential mortgage industries.

"TRID implementation has been IDS's top priority since the new disclosures were announced," said Mark Mackey, CEO of IDS. "To have those efforts acknowledged by *HousingWire* reaffirms our commitment to helping our customer meet their mortgage document and compliance challenges."

"Technology is changing both the mortgage and real estate industries in tangible and positive ways," said Paul Jackson, publisher and CEO of *HousingWire*. "The honorees that are part of the 2015 HW TECH100™ are shaping this revolution, helping forge the future of an industry that drives the U.S. economic engine."

"This year we were struck by the level of innovation we saw, with 40 new additions to the HW TECH100," said Jacob Gaffney, *HousingWire's* executive editor. "That speaks to how much change is taking place in the mortgage industry overall right now; we're seeing a lot of market disruption, and technology providers are clearly taking advantage of the opportunity that creates."
